

EX PARTE OR LATE FILED ORIGINAL

We're very concerned about deregulation  
and can't believe you'd let this  
sort of thing happen - hell

I can not see how you can  
screw up a democracy more than  
to let so few have so much power!

Hitler had the same plan ya  
know, and I didn't put a  
town in Nam to say "Seig heil!"  
to anyone.

NO to #02-277

Sincerely  
Donald J. Kostlan
